ABOUT US

HP Adhesives is a leading multi-product adhesives and sealants company. With a wide product portfolio of solvent cements, silicone sealants, PVA adhesives, synthetic rubber adhesives and other ancillary products, we cater to customers across India and globally. State-of-the-art manufacturing facility in western India with strategically located sales depots across India enables us to consistently provide high quality products to our customers. HP Adhesives is ISO 14001:2015, ISO 45001:2018 and ISO 9001:2015 certified organization. HP Adhesives is also CE and RoHS compliant.

A steady increase in Revenues, profits and satisfied customer base which is growing every year has ensured that we haven't looked back – going from strength to strength through our 40 years of journey. During this period, HP has achieved many successful milestones, the most recent being a successful IPO and thereby becoming a Public limited Company. Our core values of Transparency & Integrity, Frugality and Customer centricity continue to form the basis of all our business decisions. We believe that our journey has just begun and many more strategic milestones await us.
